ABOUT MILA

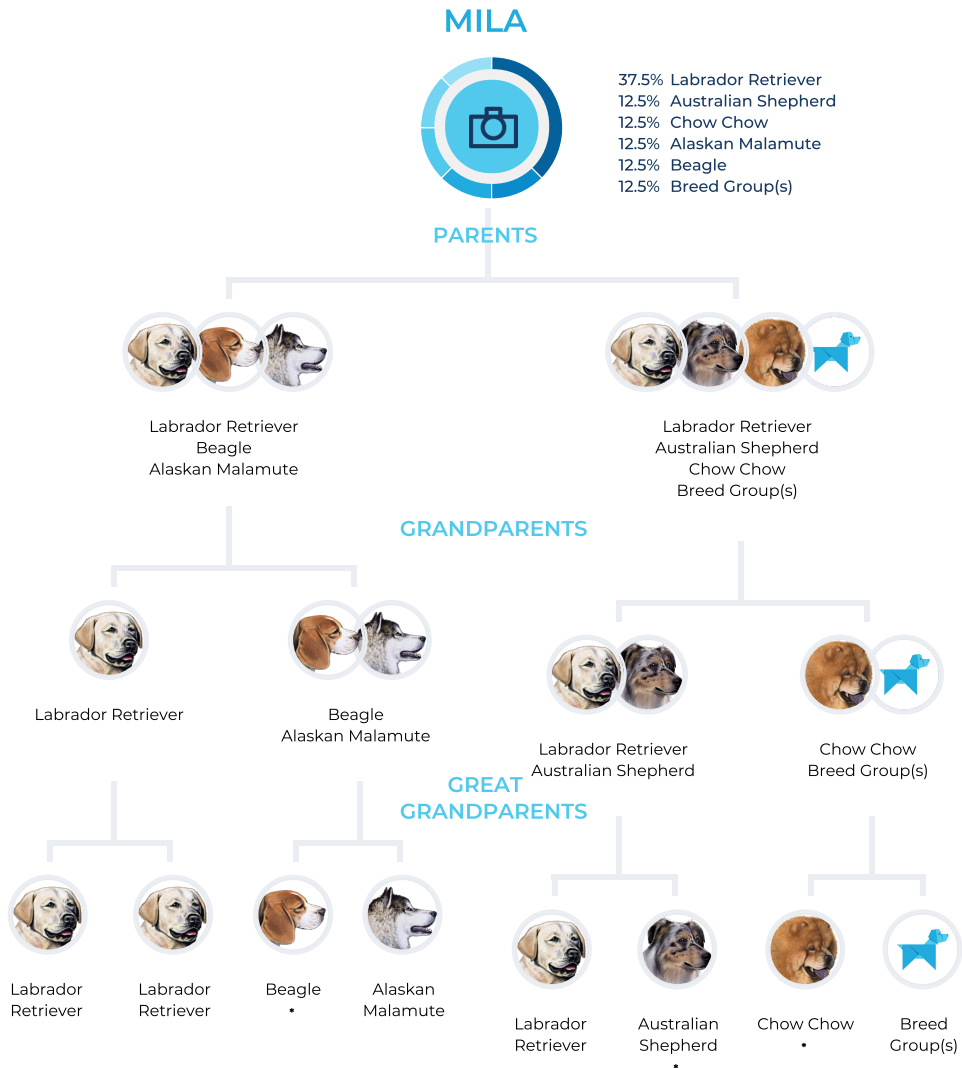

The results are in! Let's take a look at what the DNA told us about Mila's ancestry...

MILA'S BREED BY PERCENTAGE

Exciting news, the results are in! Here's what makes Mila so unique. Using the data generated from Mila's DNA, our sophisticated computer algorithm performed over 17 million calculations! What you see here is Mila's ancestry by percentage.

MILA'S FAMILY TREE

* This particular ancestor's breed has been detected, however at a lesser contribution. This suggests the breed is likely present further back in the ancestry.
